

SEA SUNDAY  
CELEBRATES  
160 YEARS  
OF CARING FOR SEAFARERS

Sea Sunday is a special opportunity for us to remember and say prayers for the 1.5 million brave men and women who go to work at Sea to make sure we receive our essential items. These brave men and women are called seafarers and they work in dangerous and lonely conditions, often not seeing their families for months at a time. The Mission to Seafarers is here to support and care for seafarers around the world.

# WORD SEARCH

90% of all products we use every day travel to us by sea. Some of these products include food, clothes, electronics, household goods and vehicles. Without seafarers we would not receive these essential items.

Can you find the everyday items that seafarers make sure we receive?

# SPOT THE DIFFERENCE

The Mission to Seafarers has been caring for seafarers for the last 160 years. One of the ways that we care for seafarers is by having our chaplain visit them on their ships.

The Chaplains are there to offer help with anything from providing warm clothing, food, encouragement and advice to helping them contact their families.

Below is a picture of a chaplain visiting a seafarer.  
Can you spot the differences in both pictures?

# MAKE A SEAFARER SMILE

Seafarers are very important to us they work really hard to make sure we get many of the items we need.
